Play To Win

Heaven 17

Play to win, city club land, theater, dockland
Empty house, no audience
Smiles of fortune, no man master
Play to win and break the bank, play to winTurn professional, know your job
Be up to every trick
Make a breakthrough, strain your eyes
Have no secrets, hear no lies, play to winAnd then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to winOne needs a great deal more than this
Make up master plan
Tension mars the prettiest face
Sex in fairyland, play to winHow can you improve your life,
Obtain the unobtainable?
Boost your health, a giant refreshed
Treat rough, get tough, 10-10, play to winAnd then he said, play to winDid you take a backseat
When your kids were small?
Suit the movement to the word
Reverse and check the action, play to winNow suit the action to the word
Make every minute count
Match in cunning, see the cars
Step on the heels of chance, play to winAnd then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to winAnd then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to winAnd then he said
Have no secrets, hear no lies
