

# Crumbs

## Talking To Turtles

You're down there shooting blanks  
From broken guns  
You fire all day long  
And still not hit a fucking one  
Don't wanna know what  
Some sick [Incomprehensible] fuck considers fun  
Prob'ly throw a party  
Served with melted ice cream over crumbs  
Just crumbs  
Just crumbs  
You prob'ly lick more ass  
Than anyone  
I guess you like the  
Taste of shit on your tongue  
No matter what you order  
The same thing will come  
A plate of refried shit  
Just covered in crumbs  
Just crumbs  
Just crumbs  
I never had a life, I don't even know what life is  
I never had a life, I don't even know what life is  
And you, and you, and you  
Have what is called a life  
I never had a life, I don't even know what life is  
I never had a life, I don't even know what life is  
And you, and you, and you  
Everyday is my life  
I have what you'd call a life  
I have what you'd call a life  
I have what you'd call a life
