

# Do Right Woman

## The Flying Burrito Brothers

Take me to heart and I'll always love you  
And nobody else could make me do wrong  
Take me for granted and I'll tag right along  
Makes will power weak and temptation strong

A woman's only human this you must understand  
She's not just a play thing she expects love just like a man  
So if you want to do right all day woman  
You gotta be a do right all night man

They say that's it's a man's world  
But you can't prove that by me  
But as long as we're together baby  
You better show some respect for me

So if you want to do right all day woman  
You gotta be a do right all night man  
You gotta be a do right all night man  
You gotta be a do right all night man  
You gotta be a do right all night man
