Never Say "I Told You So"

The Almost

Hey yeah hey hey
Just tell me what's the difference that's between being myself
And being oh so together with my thoughts
I, I cut and stab and make my
I cut and stab and make my exampleFor those about to tell me to
I'll never listen to youI'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need toThis is the part where you take
You take your place and I just, just take mine
I've never been so sick of
So sick of seeing you so, you so blindOf all the things you offer
To the ones who forget youI'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need toI'll get you back
'Cause I've been known for sneakin'
My gettin' my stealin' my revengeI'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to.
