Midnight Gambler (Long Version)

C.C. Catch

It was raining out that night cafÃ©
When I watched my dreams all fade away
Oh don't tell me how the story ends
'Cause I'm sitting here - crying in my hands
You're a million miles away
And you're playing every day
So come on, so come on, so come onHe's a midnight gambler
On the highway of fools
Why are you breaking my heart boy?
Why are you breaking the rules?
He's a midnight gambler
On the highway of fools
Diamonds are forever
But your heart is too cool
Oh, you're breaking down my paradise
At the fire, baby, I feel lies
And I'm telling that there is no end
And I'm sitting here - crying in my hands
You're a million miles away
Come on baby, make my day
So come on, so come on, so come onHe's a midnight gambler
On the highway of fools
Why are you breaking my heart boy?
Why are you breaking the rules?
He's a midnight gambler
On the highway of fools
Diamonds are forever
But your heart is too cool
Come on, come on
From the highway of fools
Come on, come on
We are breaking the rules
Come on, come on
Let's stay togetherHe's a midnight gambler
On the highway of fools
Why are you breaking my heart boy?
Why are you breaking the rules?
He's a midnight gambler
On the highway of fools

Diamonds are forever
But your heart is too coolHe's a midnight gambler
On the highway of fools
Why are you breaking my heart boy?...
