

# For Better or Worse

## Maron

It's hard to fall asleep when things with us are wrong  
I've tried to find a way to put it in a song  
This is how I feel when we fight  
Today we said somethings we shouldn't have said  
And now those words keep on repeating in my head  
And who was wrong and who was right  
And now I hesitate to turn off the light  
As we lie awake in misery  
Tonight  
I hate sleeping next to you  
When the tension's so big that I can't break through  
And my mind starts to tell me of all the wrong things I could do  
I hate when it's this severe  
when I wanna get out but I'm stuck right here  
'Til death due us part  
Well right now my feelings are clear  
For better or for worse and the worst is here  
You turn away from me and I away from you  
Ridiculous the things we put each other through  
Will someone leave me off this ride?  
My mind is racing thinking what else can I do  
to make the sun come up and start the day anew  
forgetting how I feel inside  
to think of all the nights I lay awake and cry  
Oh oh!  
'Cause I hate the thought of letting go  
of my pride  
I hate sleeping next to you  
When the tension's so big that I can't break through  
And my mind starts to tell me of all the wrong things I could do  
Yeah  
I hate when it's this severe  
when I wanna get out but I'm stuck right here  
'Til death due us part  
Well right now my feelings are clear  
For better or for worse and the worst is here  
I will not apologize  
it's just my heavy to victimize myself  
(?f)or me

I know I gotta apologize  
Let the scales fall off my eyes  
it's me, all me yeah  
Don't let the sun go down  
Don't let the sun go down on love  
our love  
Don't let the sun go down  
Don't let the sun go down on love  
our love

Don't let the sun go down  
Don't let the sun go down on love  
our love  
Don't let the sun go down  
Don't let the sun go down on love  
our love  
our love

I won't let the sun go down
