

Rock'n'Roll

Ahola

This isn't about the gleaming lights this isn't about the glamour nights
This isn't about the high class invites
This is about Rock'n'Roll

This isn't about how cool is your hair This isn't about Vanity Fair,
This isn't about being a millionaire

This is about Rock'n'Roll it's all about looking right in the eye
Giving your best and this ain't no lie
here is where the working man stands
and gives you

Rock'n'Roll Rock'n'Roll Rock'n'Roll

This isn't about doing what you're told
this isn't about growing old
this isn't about getting your soul sold

This is about Rock'n'Roll
this is about heading for a win
this is about never giving in
this is about committing a sin

Rock'n'Roll Rock'n'Roll Rock'n'Roll

it's all about looking right in the eye
Giving your best and this ain't no lie
here is where the working man stands
and gives you

Rock'n'Roll gimme some
Rock'n'Roll I really need

Rock'n'Roll gimme some more
Rock'n'Roll

Rock'n'Roll gimme some more
Rock'n'Roll can't you see?
Rock'n'Roll I need this
Rock'n'Roll this is about.
