Fuck You My Friend

Stampead

fuck you my friend
cuz I need you now
but you donâ€™t give a damn
so fuck you my friend

I need you to lend a hand
I need you to understand
I need you to open your eyes
I need you on my side

well fuck you my friend
cuz I need you now
but you donâ€™t give a damn
so fuck you my friend

awe itâ€™s just not fair
awe you just donâ€™t care
I always helped you up
when you were down on your luck
and now I need a hand
but you just donâ€™t give a

fuck you my friend
cuz I need you now
but you donâ€™t give a damn
so fuck you my friend
