

# Heart Beats Slow (Suna~ Remix)

Angus & Julia Stone

Well I heard you were (you were a lying)  
About how brave you are  
Well I heard you were (you were still trying)  
Trying to get back to the start And we won't let it into the kitchen  
No we won't let it into the house  
No we won't let it through the front door  
'Cause its burning our pretty little heart I'm gonna miss you  
Gonna miss you girl  
And all of the things we should have done Gonna miss you  
I'm gonna miss you  
And all of the things we should have done You say I move so fast  
That you can hardly see  
You say I move so fast  
How could you be with me? But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow Well I wish you, wish you well  
All the best  
Well I wish you, I wish you well  
All the best But we won't let it into the kitchen  
No we won't let it into the house  
No we won't let it through the front door  
'Cause it's burning a pretty little hole You said I move so fast  
That you can hardly see  
You say I move so fast  
How could you be with me But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow  
But my heart beats slow
