

# I'm Like A Lawyer With The Way I'm Always Trying T

## Fall Out Boy

Last year's wishes are this year's apologies  
Every last time I come home  
I take my last chance to burn a bridge or two  
I only keep myself this sick in the head  
Cause I know how the words get you We're the new face of failure  
Prettier and younger but not any better off  
Bulletproof loneliness at best, at best Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you  
Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you Collect the bad habits that you couldn't bear to keep  
Out of the woods but I love  
A tree I used to lay beneath, kissed teeth stained red  
From the sour bottle baby girl with eyes the size of baby worlds We're the new face of failure  
Prettier and younger but not any better off  
Bulletproof loneliness at best, at best Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you  
Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you  
Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you The best way to make it through  
With hearts and wrists intact  
Is to realize two out of three ain't bad  
Ain't bad! Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you  
Me and you  
(Honeymoon)  
Setting in a honeymoon Me and you, setting in a honeymoon  
If I woke up next to you, if I woke up next to you  
Me and you, setting in a honeymoon  
If I woke up next to you  
(Honeymoon)
