It's In the Way You Use It

[Eric Clapton](#)

It's in the way that you use it
It comes and it goes
It's in the way that you use it
Boy don't you knowAnd if you lie you will lose it
Feelings will show
So don't you ever abuse it
Don't let it goNobody's right till somebody's wrong
Nobody's weak till somebody's strong
No one gets lucky till luck comes along
Nobody's lonely till somebody's goneIt's in the way that you use it
It comes and it goes
It's in the way that you use it
But boy don't you knowIt's in the way that you use it
It comes and it goes
It's in the way that you use it
And boy don't you knowAnd if you lie you will lose it
Feelings will show
So don't you ever abuse it
Don't let it goI've seen dark skies never like this
Walked on some thin ice never like this
I've told you white lies never like this
Looked into true eyes never like thisIt's in the way that you use it
Boy don't you know
So don't you ever abuse it
And don't let it go
