Broken Diamond

Michelle Aavitsland

You passed me by
like clouds in the sky
I tried to lay still
and watch you move
just for a whileI walked on by
we both know why
somehow we turned
and walked away
before we triedI realized too late
We brushed aside our fate
OhI'll keep this memory
forever and ever
And until my heart
Illuminates the sky
and I'll always remember
still I'll never look back
on the moments from a dream that we hadWe were shining so bright,
Now I'm dying inside
You're my broken diamondI fall to the ground
Scattered around
Somewhere I've gone astray,
I gave my soul awayBurning inside
hearts open wide
we found that missing piece
we've searched for
all this timeI realized too late
We brushed aside our fate
OhohohI'll keep this memory
forever and ever
And until my heart
Illuminates the sky
and I'll always remember
still I'll never look back
on the moments from a dream that we hadWe were shining so bright,
Now I'm dying inside
You're my broken diamondI wonder where we'd be - If we'd let go
I wonder where - where we're going
I wonder if we`d shine - like stars above
I wonder how - how to keep it glowingI'll keep this memory

forever and ever
And until my heart
Illuminates the sky
and I'll always remember
still I'll never look back
on the moments from a dream that we hadWe were shining so bright,
now I'm dying inside
You're my broken diamondI'll keep this memory
you're my broken diamond.
