

# Black Sun - Kill Paris Remix

## Carbon Airways

You'll be on my side  
Something's burning my way  
I would kill for you  
No way to trap your gameI was so faithful, I wanna tear your lies  
My fever's rising, torn insideThis is the noise, I break the future  
Emotional, I nearly died  
I'll strip away, I'm tired of violenceThis is the noise, I break the future  
I can predict what drives you on  
Floating out to wonderland,  
Be back to frame you  
What you get erasure  
Troubles on the lineWe run on and on  
Fingers and triggers  
Catch you on your knees  
Still I remain calmMy precious you ran into luck.
