Prayers For The Damned

Sixx: A.M.

When I wake up to the sound of demons
They're always telling me that I'm no good
And all the angels keep scratching at my door
I'm doing what I can to fight this anger
I'm just a product of a living hell
And I don't want to live like this no more
Everything is crumbling in my head
Sometimes I wish I was...
But maybe I'm not alone
Maybe if you take my hand
And I reach up to God
Maybe this time he'll say a prayer for the damned
What have I got to lose
When I've already lost it all
Maybe this time he'll say a prayer for
Say a prayer for the damned
For the damned
Have you ever been abused by someone
So brutal that it chills your soul
Have you ever been afraid of your own ghost
I'm just a creature of a broken past
We're all looking for a second chance
And I don't want to live like this no more
And all the madness rages in my head
Sometimes I wish I was...
But maybe I'm not alone
Maybe if you take my hand
And I reach up to God
Maybe this time he'll say a prayer for the damned
What have I got to lose
When I've already lost it all
Maybe this time he'll say a prayer for
Say a prayer for the damned
We are not alone
It's darkness before the hope
But you and I we're not alone
Maybe I'm not alone
Maybe if you take my hand
And I reach up to God

Maybe this time he'll say a prayer for the damned
What have we got to lose
When we've already lost it all
Maybe this time he'll say a prayer for
Say a prayer for the damned
(Say a prayer for the damned)
(Say a prayer for the damned)
(Say a prayer for the damned)
(Say a prayer for the damned)
