Love and Affection

Sinitta

(Listen)
Nothing but Love and Affection
And it's really a lovely thing (such a lovely thing)
So glad I made you my selection
Girl you're my everything (my everything)

Never new love like this
Girl I must admit
Ever since you came into my life
It's been more than (a) few years
Still no one compares, to you
So I really love the way you got me feeling

Nothing but Love and Affection
And it?s really a lovely thing (such a lovely thing)
So glad I made you my selection
Girl you?re my everything (my everything)

When I am away
I always count the days
Just to come right back into your arms
Heaven must have sent you
I?m so in love with you
It?s true
Girl I really love the way you got me feeling

Nothing but Love and Affection
And it?s really a lovely thing (such a lovely thing)
So glad I made you my selection
Girl you?re my everything (my everything)
