

You Make Me Feel So Good

Book of Love

In my room, soft and warm
Curtains drawn no lights on
Eye of blue, I love blue
Words that say, I love you 'Cause you make me feel so good I wish I was on the waves in the sea
Whitecaps break on my wet dream
Why don't you come and play?
On white sheets we'll float away 'Cause you make me feel so good
You make me feel so good I can't wait to be with you
I just like the thing you do I wish I was in my room all alone
I'd wait for you to come home
Eye of blue, I love blue
I'm on the waves alone with you You make me feel so good
You make me feel so good, good So good, so good, so good, so good
