The Last Time

John Farnham

Well I told you once and I told you twice
But you never listened to my advice
You don't try very hard to please me
And with what you know it should be easy
[Chorus]
Well this could be the last time
This could be the last time
Maybe the last time - I don't know - oh no, oh noWell I'm sorry girl but I can't stay
When I'm feeling like I do today
Well there's too much pain and too much sorrow
And you know I'll feel the same tomorrow[Chorus]Well I told you once and I told you twice
Somebody gonna have to pay the price
Now here's a chance to change your mind
'Cause I'm gonna be gone a long long time
