

You

Rogue Wave

Hedge shapes narrowing
Brain stored in the freezer
Wind-tops bellowing
It's a creeper double-feature Jaundiced and yellowing
I've always been a late bloomer
Shoe gaze shimmering
There's no season to see it, I needed that One day I
One day I found you Engines in the wind
And a heroes welcome
Pillows of recklessness
But you just pop your mouth off Kiss the abdomen
Till it's less than perfect
Till it looks like everyone
Can get so conceited and need it, oh ya One day I
One day I found you One day I
One day I found you
