Positive Herb

Niyorah

I'm floating high can't you see my eyes I'm red red red red
Tap into Zion I marijuana high in my head head head head
Homey skunk herb hit my brain nerve I can't be mislead lead
potent purple haze let the fire blaze with some lamb's bread bread bread bread

So if you feel a way about the herb Let it be positive all the time
If you feel a way about the herb Remember that it's creation divine
if you feel a way about the herb Let it be positive all the time
If you feel a way about the herb Homegrown weed is the best weed to find

Check the benefits when you using it It's so deep deep deep deep
When you full ah stress it will help you rest During sleep sleep sleep sleep
If you got a task all you got to ask Is for strength strength strength strength
Smoke up the sacrament with a good intent Amongst your bredren dem dem
