

His & Hers

Kash Doll

This is for my ladies on they A game
Bitch I'm all about my money I don't play games
Money money on me things that I see
Is for all the bad bitches that be stuntin like me so wassup
Yo its kash doll be that boss bitch
I need that boss nigga I can be that boss bitch while you broke ass niggas talking boss shit but you in summer
set and you ain't even brought shit
Now broke niggas stand to the left now you and all yo boys stand over there
I'm buying all this shit I don't even wear I'm spendin all this money I don't even care hair done (check)
makeup (check) add them zeros nigga cut that (check)
I pull up on the spot in that new new why you and them basic ass bitches lookin to thru I don't give a fuck about
the price five racks on the bag boy while you instagram flexin you a fraud boy
Money money on me things that I see is for all the bad bitches that be stuntin like me so wassup
Nigga his and hers spend his and I'm stackin hers (his and hers)
Nigga his and hers spend his and I'm stackin hers (his and hers)
You want to win with a boss bitch, you gotta spend on a boss bitch
You want to win with a boss bitch, you gotta spend on a boss bitch
A couple racks on that shoes game (shoe game)
I'm bout to tear the mall down with my new thang (new thang)
My last nigga fell off he was so weak (so weak)
And you can have that lame nigga that's my old freak I got my own bread I don't never need a nigga the way I
hustle in the streets I can be a nigga if you don't think I'm gettin money ask KP them cartier on my face worth 8
key Can a bad bitch live her life without you lame ass hoes trynna hate can a bitch eat some lobster tails with
some steak and push the V12 with the new paper plates That's why I'm only fucking with them niggas that got
that shit and if you lying on yo bread I can spot that shit forreal
Money money on me things that I see is for all the bad bitches that be stuntin like me so wassup
Nigga his and hers spend his and I'm stackin hers (his and hers)
Nigga his and hers spend his and I'm stackin hers (his and hers)
You want to win with a boss bitch, you gotta spend on a boss bitch
You want to win with a boss bitch, you gotta spend on a boss bitch
