Summer Lies

Late Night Alumni

In the way water still
Loves the coastline, your summer eyes, lazy,
Eye me up and down.
I slow down. Slow.
Summer lies. Coast to coast we fly.
Nevermind. No time for time.Seize the day. You know I will.
Say it like a rhyme.
This summer life, easy, cycles
Round and round.
I slow down. Slow.
I slow down. Slow.Summer lies. Coast to coast we fly.
Nevermind. No time for time.Summer lies. Coast to coast we fly.
Nevermind. No time for time.Summer lies. Coast to coast we fly.
Nevermind. No time for time.I slow down. Slow. I slow down. Slow.
I slow down. Slow. I slow down. Slow.
