

# Leather

## Porches.

Look I'm standing naked before you  
Don't you want more than my sex  
I can scream as loud as your last one  
But I can't claim innocence  
Oh God, could it be the weather?  
    Oh God, why am I here?  
    If love isn't forever  
    And it's not the weather  
Hand me my leather  
I could just pretend that you love me  
The night would lose all sense of fear  
    But why do I need you to love me  
When you can't hold what I hold dear  
Oh God, could it be the weather?  
    Oh God, why am I here?  
    If love isn't forever  
    And it's not the weather  
Hand me my leather  
I almost ran over an angel  
    He had a nice big fat cigar  
    "In a sense", he said, "You're all alone here  
So if you jump, you best jump far  
"Oh God, could it be the weather?  
    Oh God, why am I here?  
    If love isn't forever  
And it's not the weather  
Oh God, could it be the weather?  
    Oh God, it's all very clear  
    If love isn't forever  
    And it's not the weather  
    Hand me my leather
