

Curse Breaker Prayer

Jekalyn Carr

Where it's just you and God!
And I just want you to begin to open your mouth and cry out to God!
God if you don't do nothing else tonight, heal me Jesus, deliver me, I want to be free!
I'm tired of being held back!
I'm tired of being held up!
Deliver me from this pain!
1, 2, 3, open up your mouth!
Cmon open up your mouth!
I need you to open up your mouth!
C'mon yall aint loud enough! Lift up your voice!
Lift up your voice and cry out to Jesus!
Cry out to Jesus!
Cmon open up your mouth!
As i pray, open up your mouth!
And begin to pull on God!
Heal me Jesus, heal our land !esus
Open up your mouth!
C'mon c'mon!
Lift up your voice! I need ya!
To lift up your voice and begin to cry out to Jesus!
God we come to you tonight, for we're in need of you
Our nation is in need of you!
God we won't move move until we know that healing has taken place!
I declare in the name of Jesus that that demon and that spirit of identity confusion!
I declare now, that the angels of God, are arresting it now!
In Jesus name!
Every demonic force that has been been released to destroy us,
I declare in the name of Jesus that the blood of Jesus is working against it!
The blood of Jesus is working against it!
Y'all ain't praying! Open up your mouth and pray!
Open up your mouth and pray tonight!
I declare in the name of Jesus,
That in the next three seconds...
The healing power of God, is about to shake this place up!
Everything, that has been hurting you!
Everything, that has been causing you pain!
Has got to go, it's got to go!
You cannot not stay!
You cannot dwell here tonight!

Freedom! Is in the atmosphere!
Healing! Is in the atmosphere!
Cry out, cry out!
God I need you, God I need you!
Heal us now, heal us now!
We don't want to be this way, we don't want to be this way!
Deliver us, deliver us, deliver us Jesus!
Lift your hands in this place....
Declare right now that every curse, every stronghold, that has you on lock down...
Tonight is about to release you!
All you got to do is open your mouth, and begin to shout that thing off of you
Open up your mouth and begin to cry out to Jesus!
Oh God I need you! Open up our mouth!
I give it to you Jesus!
You can have this pain, you can have it!
I Don't want to be bitter, I don't want to be bitter!
I declare tonight is the last night, that you're gonna suffer!
Tonight is the last night, that spirit is gonna torment you!
You're being free!
You're being healed, you're being healed, you're being healed tonight!
You're being healed tonight! Everything that has attached itself to your generation...
Everything that has attached itself to your family lineage...
I declare everything that is not of God, tonight is got to let you go!
Tonight has got to let you go!
I declare, in the name of Jesus, that the balm of gilead, has shown up for you!
The balm of gilead, has shown up for you!
You won't be bitter, you won't be bitter...
Oh! He's healing you from the pain of your past!
Doesn't matter what happened to you!
Oh he's freeing you tonight!
You've been held down long enough...
I'm ready for you to access me to the fullest...
I'm ready for you to access me to the fullest!
There's something called destiny, that is waiting on you!
And everything that could hold you back, is dropping off of you!
Is dropping off of you!
Open up your mouth and shout, shout, shout, shout! Oh the devil can't have you...
The devil can't have you!
Oh the devil can't have you!
Everything that the devil thought he was going to do, I've canceled, I've uprooted!
I destroy the assignment of the enemy!
You will win, you will win, you will win, you will! Lift your hands in this place
Lift your hands, lift your hands
Speak now in the name of Jesus
Many of you your child your spouse, or whoever your family may not be here

And everything that the devil has pronounced and attached to your family
Because you're here is being destroyed
C'mon yall didnt shout right
I said because you're here, is being destroyed!
