Bad Up Your Betterness

The Presets

You got something started
You got something started
You got something started
I don't know what I'm doing

You got something started
You got something started
You got something started
I don't know what I'm doing

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling

We got all the numbers
We got all the numbers
We got all the numbers
I don't know what you're doing

You got something started
You got something started
You got something started
I don't know what you're doing, baby

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling

You got me feeling all right, you got me feeling
You got me feeling all right, you got me feeling
You got me feeling all right, you got me feeling
You got me feeling all right, you got me feeling

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling

Don't know what I'm gonna do now
You got me feeling all right, you got me feeling
Riding into the sunset
You got me feeling all right, you got me feeling
