

Always Yours

The Ideals

I know, you know
I'll never, never let you go
Oh, you know, I know
I'll never, never let you go(Always yours)
I know, you know
I'll never, never let you go
(Always yours)
You know, I know
I'll never, never let you goOh, baby, fine Indian skin
'Cause I'm always, always yours
Never known such a Romeo
But I'm always, always yours
That's me, that's me
I'm still your blue-eyed boyPlease don't cry if I pass you by
'Cause I'm always, always yours
Please don't mind if I take my time
'Cause I'm always yoursPut me down if I run around
'Cause I'm always, always yours
It's no fun when I kiss and run
But I'm always, always yours
That's me, that's me
I'm still your pride and joyTake me home if I start to roam
'Cause I'm always, always yours
I got you and you got me too
And I'm always yoursI know, you know
I'll never, never let you go
Oh, you know, I know
I'll never, never let you goOh, I know, you know
I'll never, never let you go
Oh, you know, I know
I'll never, never let you goJust be cool if I play the fool
'Cause I'm always, always yours
I'm a scream, I'm a teenage dream
But I'm always, always yours
That's me, that's me
You're sneaky, cheeky boyHmm, here I come with a special love
And it's always, always yours
I've been 'round with the best in town
And it's always yours

Watch out, hey I know, you know
I'll never, never let you go
Oh, you know, I know
I'll never, never let you go Oh, I know, you know
I'll never, never let you go
Oh, you know, I know
I'll never, never let you go (Always yours)
I know, you know
I'll never, never let you go
(Always yours)
I know, you know
I'll never, never let you go (Always yours)
I know, you know
I'll never, never let you go
(Always yours)
I know, you know
I'll never, never let you go (Always yours)
I know, you know
I'll never, never let you go
(Always yours)
I know, you know
I'll never, never let you go
