

Roller Skate (Farewell June)

Midlake

Come around the corner
We cannot afford to sit
Take what you're gonna take there
Make sure you make the most of it

Sit and plan
All we can
Don't ever cuckoo and come undone
Don't want to say it, it's done with, I'm over

I see you coming plain and golden
Photo star up high in the corner
Do the same thing over and over
Hey do the same thing over and over

Farewell June
Farewell June
Both legs broke your daughter
Three minutes come into some world with me

Soon the silver gentry
Make it up to where I live
Take what they're gonna take there
The they'll put the bullet in

Sit and plan
All we can
Don't ever cuckoo and come undone
Don't want to say it, it's done with, I'm over

I see you coming plain and golden
Photo star up high in the corner
Do the same thing over and over
Hey do the same thing over and over

Farewell June
Farewell June
Both legs broke your daughter
Three minutes come into some world with me

Sit and plan
All we can
Don't ever cuckoo and come undone
Don't want to say it, it's done with, I'm over

Farewell June
Farewell June
Farewell June
Farewell June
