## Kurupt

Government's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upGovernment's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upStep two paces  
Turn and entrapped in the middle of the frontline where the action's at  
Head straight to the scope, it's like hangin on the edge, of a ledge  
I play my part, piece to the puzzleHeat's with a muzzle, a YG always in trouble  
'Cuz of what he know, 'cuz of what he knew  
How he grew, up and, what he grew up to  
And what he gon' grow up to beIt's nuttin' wrong but homie don't grow up to be like me  
Temptation to touch, a terrible thing  
A placement in your palm an unbearable thing  
The street has many wars, infiltries, many waysLives lost, many K's, full size and mini K's  
Comin' in many arrays  
Many shapes, sizes, and shades  
'Cuz boys in blue they just might get youGovernment's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upGovernment's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upNow Bobby and Susy were unhappily wed  
So Bobby shot Susy in the back of the head  
Bobby got taken to the county jail  
He put up his house and he walked on bailNow Bobby's on the streets he's free as the breeze  
He saved up his loot for his legal fees  
He spent his whole bank quote on attorneys  
Who got the case dropped on technicalitiesGovernment's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upGovernment's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked upThrough the good and bad times, times bad and good  
Missin' all the things that we used to have in the hood  
Things makin' me happy, used to make me sad

It feels like the war of the world, fire in hand  
Spread, head to head like legions of germs  
Wrapped like pearls and shells make 'em wriggle like worms  
We everlastin', Kurupt and Everlast  
Lashin', ever ready sounds, spreadin' like rashes  
Life is complicated, Kurupt, Everlast and Soopafly made it  
For traded, supposedly stay shaded  
They may lurk but we lurk too  
They create the war that we fight for  
There's only one life and only one way to be  
God fear gotta give love to the G O D 'cuz I can see  
Everythang's corrupted, I'm corrupted  
TV corrupted the public, niggaz yellin' out, fuck it  
Government's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked up  
Government's corrupt  
Police force, corrupt  
Education's corrupt  
It's all fucked up
