

More Than Anything In This World

Lenny Kravitz

More than anything in this world
I just want you to be my woman
More than anything in this world
 I wanna be your man
 Hey! I'd walk through fire
 Stand in the rain
 I'll go to hell and back
 On a plane
 I'd scale the mountains
 Swim the seas
 I beg for mercy
Down on my kneesMore than anything in this world
 I just want you to be my woman
 More than anything in this world
 I wanna be your man
 Hey! I caused you sorrow
 I've caused you pain
 But love is all we, will have to gain
 I searched the whole world, oh oh I
 And I want you to be my baby, baby
Hey hey heyMore than anything in this world
 I just want you to be my woman
 More than anything in this world
 I wanna be your man
HeyMore than anything in this world
 I just want you to be my woman
 More than anything in this world
 I wanna be your man
HeyMore than anything in the world
 More than anything in the world
I want you, hey heyMore than anything in this world
 I wanna be your man
 Hoo
 More than anything in this world
I wanna be your man, yeahAnything
 Anything
 Anything
