Life Isn't Everything

State Shirt

Filling all the holes with hope
Sounds of all the things I don't know
If you were to tell me I wasn't here
I'd believe you I'm bound by fearI tried everything
Oh no?
It's still haunting me so.
One of these days, I'm going to die.
Life isn't everything, but it's all we haveDisbelieve everything I've learned
An empty shell is what will burn
If you were to ask my soul to bare
That's the only thing I can't share.I tried everything
Oh no?
It's still haunting me so.
One of these days, I'm going to die.
Life isn't everything, but it's all we haveI guess it's all up to me.
Do I have the power to be free?
Sounds so simple, but I can't let go
Over and over I'll never knowBeauty in the stars
Not that far
Open up your heart
