

After the Dance

El DeBarge

Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby

I want you & you want me, so why don't we, get together after the dance

When I first saw you baby, you were lookin' good on soul train, oh-oooh
its lucky for you I saw you there, you were spinnin'... dancin' everywhere
I thought to myself, she was so fine, the way she moves
so freakishly, she's so divine, I thought hey baby what she needs is me

Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby
Dance with me, come on dance wit' me baby

I want you & you want me, so why don't we, get together after the dance

While we dance, to this record girl, you were so fine,
the way you moved next to me, your eyes told me one thing, hoooold me....
the touch of your thighs.... ooh I felt the vibrations baby
we started walkin', you started talkin, you needed time... to make up your mind.. ooh-you
nobody else take her, that's how I feel, please take me would you, what you gonna do

I want you & you want me, so why don't we get together after the dance... Alright

Piano Interlude #1

Dance wit' me..... Dance wit' me

I want you & you want me, so why don't we get together after the dance

Piano Interlude #2

Oh.... Come on baby, woo.... I'm walkin outta here wit' ya baby, dont you, know I love ya baby,
We got to, get together, (dance wit me boy)

Dance wit' me, come on dance wit' me baby, dance wit' me, come on dance
Dance wit' me, come on dance wit' me baby, dance wit' me, come on dance
Dance wit' me, come on dance wit' me baby, dance wit' me, come on dance
Dance wit' me, come on dance wit' me baby, dance wit' me, come on dance

Dance wit' me, come on dance wit' me baby, dance wit' me, come on dance
