Grown Man

Jessica Lea Mayfield

I can feel you watching me and I'd give most anything
to know as you're sitting there with your legs crossed and no clothes on
what you are thinking of
I'll do anything
I'm surprised that I'm not dead yet
Maybe I'm disappointed, but we wont get into that
Give me your hand grown man, I'll breathe some life into you
Oh there's not much I wouldn't let you whisper in my ear
Could you be thinking of a possible impending love?
are you wondering if I'm really old enough?
come here lay beside me tonight
Ill hold you tight
the words you speak they sound so sweet
I can't let you fill my head with lies
give me your hand grown man I'll breathe some life into you
Oh there's not much i wouldn't let you whisper in my ear
Don't care I don't care
How you feel about me
Don't care i don't care
I cant fool with feeling
