

Head Unbound

Auf Der Maur

Fall around the fire,
And I, fall around the fire
A higher me for you,
Hire me for you Fall around town, down
For the rest of the world to drown
For you'll come down
To the rest of your falling down, On your head
Falling down
With your head unbound
I'm falling down Down to your ground
Fall around town, down
For the rest of the world to drown
For you'll come down To the rest of your falling down,
On your head
And I said you could hurt me
No more, With your heart on the floor
I said you could hurt me no more
To the rest of the world it's sure
That you will hurt me no more To the rest of the world,
You're surely hurting more
I'm falling down
Downtown to your ground
