

We Never Said Goodbye

[Dionne Warwick](#)

When we gave up, oh, forever
When we couldnt stay together
After all the tears and trying
We drank some wine
You went your way and I went mineBut we never said, "Goodbye"
Never understood what happened
Never said, "Goodbye"
Ever wonder why
We never said, "Goodbye"I tried so hard to forget you
I tried so hard living without you
I always thought some day Id find out
Waited so long
First it was here then it was goneBut we never said, "Goodbye"
Never understood what happened
Never said, "Goodbye"
Did you ever wonder why?
We never said, "Goodbye"Maybe tonight
We will realize our love that we have
Maybe tonight
We can fill each others eyes and be gladThe nights are long thinking about you
I cant help hoping its not true
I cant help the way Im feeling
Maybe its time
Give me your love, tell me its mineCause we never said, "Goodbye"
We never got around to
What went wrong with you and I
Did you ever wonder why?
We never said, "Goodbye"Never said, "Goodbye"
Never understood what happened
Never said, "Goodbye"
Did you ever wonder why?
We never said, "Goodbye"
Never understood what happened
We never said, "Goodbye"
Did you ever wonder why?
We never said, "Goodbye"
