

# We Never Said Goodbye

[Dionne Warwick](#)

When we gave up, oh, forever  
When we couldnt stay together  
After all the tears and trying  
We drank some wine  
You went your way and I went mineBut we never said, "Goodbye"  
Never understood what happened  
Never said, "Goodbye"  
Ever wonder why  
We never said, "Goodbye"I tried so hard to forget you  
I tried so hard living without you  
I always thought some day Id find out  
Waited so long  
First it was here then it was goneBut we never said, "Goodbye"  
Never understood what happened  
Never said, "Goodbye"  
Did you ever wonder why?  
We never said, "Goodbye"Maybe tonight  
We will realize our love that we have  
Maybe tonight  
We can fill each others eyes and be gladThe nights are long thinking about you  
I cant help hoping its not true  
I cant help the way Im feeling  
Maybe its time  
Give me your love, tell me its mineCause we never said, "Goodbye"  
We never got around to  
What went wrong with you and I  
Did you ever wonder why?  
We never said, "Goodbye"Never said, "Goodbye"  
Never understood what happened  
Never said, "Goodbye"  
Did you ever wonder why?  
We never said, "Goodbye"  
Never understood what happened  
We never said, "Goodbye"  
Did you ever wonder why?  
We never said, "Goodbye"
