I, Pessimist

Alkaline Trio

[Featuring: Tim McIlrath]Give thanks to the way you know
'Cause I'm working for eternal blackout
The sun used to be one of my favorite drugs
Looks like that one's gonna kill us allDisappear, disappear
I don't need this body
It's so clear, way too clear
I'm not hear with my mindI'm running on a great big tank again
But how long til I crash?
And then this back's gonna burst again
Bring my down on my bare kneesDisappear, disappear
I don't need this body
It's so clear, way too clear
I'm not hear with my mindDisappear, disappear
I don't need this body
It's so clear, way too clear
I'm not hear with my mindAnd they say my soul is still alive
In the eyes of God
Maybe living is not enough for meAnd they say my soul is still alive
In the eyes of God
Maybe living is not enough for meSoDisappear, disappear
I don't need this body
It's so clear, way too clear
I'm not hear with my mindDisappear, disappear
I don't need this body
It's so clear, way too clear
I'm not hear with my mind
