

# Unleash the Dragon

SisqÃ³

[Sisqo]

The Dragon

What I'm about to do  
I'm sure nobody expected  
But that's what I do

y'all know me  
Know me now?  
I'm about to release the dragon  
Uh, uh, come on

Here I come  
Niggas hold me back  
Try to hold him back  
'Cause I'm about to let the dragon

Attack, who? (Who?)  
You so get out my way  
It's a new millennium  
It's a brand new day

Bugged out niggas  
Thugged out niggas  
I don't really care you're are all my niggas  
I'm about to let the dragon out  
Na, na, na, na, na, na, na, na

[Chorus: x2]

y'all niggas gonna make me  
Unleash the dragon  
I know you don't really want to  
Unleash the dragon  
Niggas if ya hear me say yeah  
Shorties if ya hear me say yeah

So what's the dragon?  
Uh what's the dragon?  
It's when you try to hold in your style and  
Niggas got me pissed like Lil' Kim

So I'm about to switch the industry again  
Your hands up shorties  
Stand up shorties  
I'm about to shake the whole land up shorties

We about to let the dragon out  
Na, na, na, na, na, na, na

[Chorus: x2]

(Yeah, yeah, uh yeah, yeah, yeah, yeah, yeah)  
Yo I don't think y'all cats want Mac to release the dragon  
Catch me in all black underneath your wagon  
Plaques deep in the detonator

I can see you and I see you on a respirator  
Y'all cats all know how this one go  
B-Mac rap guerrilla with the official flow  
Any beef with my peeps then let the pistols blow

I'm lay back for now and let Sisqo flow

Repeat 1 (2x)

Uh, 2G, Sisqo nigga what?  
Uh-huh, yo I ain't thugged out  
All I'm doing is letting y'all niggas know  
That I'm about to unleash the dragon  
In the year 2G

[Repeat: x2]  
Unleash the dragon  
Unleash the dragon  
Yeah, yeah

Is you with me?  
Let me see your hands up  
Yeah, nigga what?  
I'm about to let it go

I'm about to let you know  
Sisqo, 2G  
Roll with me and you'll see  
Nigga what?
