

Tonight

Sixpence None the Richer

Tonight it's time, choose a direction
If you fail you can make a correction
Slower now, make life faster
Make your mind, up for once this time It's hard to know
Where I'm supposed to go
It's hard so hard to know
To know where I'm supposed to go
Tonight, tonight Tonight it's time, choose a direction
If you fail you can make a correction
Slower now, make life faster
Make your mind up for once this time It's hard to know
Where I'm supposed to go
It's hard so hard to know
To know where I'm supposed to go
Tonight, tonight Tonight I'm gonna let it go
And try to let it be
Because I know you see That it's hard to know
Where I'm supposed to go
But there is a way
And tomorrow is a brand new day Yes. it's hard so hard to know
Where I'm supposed to go
But there is a way
And tomorrow is a brand new day
Tonight, tonight, tonight
