Got Me Waiting

Fantasia

Just when I thought I found me someone I could grow with
Just when I thought I found me someone I could grow with
That's when my girlfriend came to me, swear she told me thatThat nigga ain't nothing I seen in the club
Actin' like you weren't nowhere aroundThat's when I found out that you was nothing for me
Another love that you said that you had it turned out to be phony
And I done gave you the best part
I don't know what else I can do to turn you around, ohYou got me waiting
You got me waiting
When I'm telling you everything you need to hear
Like baby come nowYou got me waiting
But I can't keep waiting on you
Actin' like whatever I'm a always be aroundGuess you think that you're something like a P.I.M.P.
And you can hang in these streets and it'll be alright with me
Oh baby now, you got me waiting but I can't keep waiting on youOh, look at me and tell me now
If I could I be the last one that you think about
Thinking you can keep on running out
My life, my life, my lifeWhy's it so hard for you
To pick up the phone and call me
Put a little time in for me
Show that you really care for meRemember how you used to say that nothin' comes before me
I know that was a lie because you put your boys before me
Promises, promises made and broken
Still I keep holding on, thinking that you would notice thatYou got me waiting
You got me waiting
When I'm telling you everything you need to hear
Like baby come nowYou got me waiting
But I can't keep waiting on you
Actin' like whatever I'm a always be aroundGuess you think that you're something like a P.I.M.P.
And you can hang in these streets and it'll be alright with me
Oh baby now, you got me waiting but I can't keep waiting on you
(Oh, no)
Oh no, oh, do let me tell you whyThere comes a time in every man's life
Where he has to do everything his girl likes
'Cause if he don't choose to play by the rules
I'm sure there's somebody else out there who just would love tooDo me
Hold me
Go the extra mile like you did
When you was tryin' to get to know meDo me
Hold me

Treat me nice and show me all the things
You forgot to show me 'cause youYou got me waiting
You got me waiting
When I'm telling you everything you need to hear
Like baby come nowYou got me waiting
But I can't keep waiting on you
Actin' like whatever I'm a always be aroundGuess you think that you're something like a P.I.M.P.
And you can hang in these streets and it'll be alright with me
(Oh no, oh no)
Oh baby now, you got me waiting but I can't keep waiting on you
Can't keep waiting on you, yeah
