

# Lord I'm Just a Baby

**B.J. Thomas**

Lord I'm just a baby  
Teach me how to talk  
Lord I'm just a baby  
Teach me how to walk  
My first word will be Daddy  
My first step to Your arms  
Lord I'm just a baby  
Let me have a baby's charmI'm still a baby  
Lord Jesus  
Even though the world says I'm a man  
You know that I want to grow up  
And with your help  
I know I canLord I'm just a baby  
Tiny and afraid  
I cry when I get hungry  
And when I've disobeyed  
Please feed me 'till I'm older  
Then feed me when I'm old  
Lord I'm just a baby  
With a brand new thirsty soulI'm still a baby  
Lord Jesus  
Even though the world says I'm a man  
You know that I want to grow up  
And with your help  
I know I can
