## Wavves

I'm not doing anything today  
I don't care what you say  
I'm not going out  
I'm staying home  
I don't really wanna act afraid  
Not about you, about anything  
I can't pretend this is all a dreamHave I lived too long?  
Why does my head hurt?I get stuck by getting worseHaving fun when I'm alone  
I don't have to put on a show  
Cause everything around me isn't real  
Not taking off, I'm just taking a break  
Not just from you, from everything  
I can't pretend this is all a dreamHave I lived too long?  
Why does my head hurt?I get stuck by getting worse  
We're not alone  
I believe we're not alone  
We're not alone  
I believeHave I lived too long?  
Why does my head hurt?I get stuck by getting worse  
I'm getting worse  
I'm getting worse  
I'm getting worseWe're not alone  
We're not alone  
I believe we're not alone  
We're not alone  
I believe we're not alone  
We're not alone  
I believe we're not alone  
We're not alone  
I believe
