

Kehna Hi Kya

Chitra

Gumsum gumsum gup chup, gumsum gup chup
Gumsum gumsum gup chup, gumsum gup chup
Halchal halchal ho gayi teri, honth hai tere chup
Khalbal khalbal ho gayi teri, baithi hai tu gupchup
Pyaare pyaare chehre lekar dediya ishaara
Dekha teri aankhon mein hai sapna koi pyaara
Humse gori naa tu sharma, kehde humse zara
Humse gori naa tu sharma, kehde humse zara
Kehna hi kya yeh nain ek anjaan se jo mile
Chalne lage mohabbat ke jaise yeh silsile
Armaan naye aise dil mein khile,
Jinko kabhi main naa jaanoon
Voh humse, hum unse kabhi naa mile,
Kaise mile dil naa jaanoon
Ab kya kare, kya naam le,
Kaise unhe main pukaaroon
Kehna hi kya yeh nain ek anjaan se jo mile
Chalne lage mohabbat ke jaise yeh silsile
Armaan naye aise dil mein khile,
Jinko kabhi main naa jaanoon
Voh humse, hum unse kabhi naa mile,
Kaise mile dil naa jaanoon
Ab kya kare, kya naam le,
Kaise unhe main pukaaroon
Pehli hi nazar mein kuch hum,
Kuch tum ho jaate hai yun gum
Nainon se barse rim jhim,
Rim jhim humpe pyaar ka saavan
Sharm thodi thodi humko aaye to nazarein jhuk jaayen
Sitam thoda thoda humpe shok hawa bhi kar jaaye
Aisi chali, aanchal ude, dil mein ek toofaan uthe
Hum to lut gaye khade hi khade
Kehna hi kya yeh nain ek anjaan se jo mile
Chalne lage mohabbat ke jaise yeh silsile
Armaan naye aise dil mein khile,
Jinko kabhi main naa jaanoon
Voh humse, hum unse kabhi naa mile,
Kaise mile dil naa jaanoon
Ab kya kare, kya naam le,
Kaise unhe main pukaaroon
Gumsum gumsum gup chup, gumsum gup chup
Gumsum gumsum gup chup, gumsum gup chup
Halchal halchal ho gayi teri, honth hai tere chup
Khalbal khalbal ho gayi teri, baithi hai tu gupchup

Pyaare pyaare chehre lekar dediya ishaara
Dekha teri aankhon mein hai sapna koi pyaara
Humse gori naa tu sharma, kehde humse zara
Humse gori naa tu sharma, kehde humse zaraIn honthon ne maanga sargam,
Sargam tu aur tera hi pyaar hai
Aankhen dhoonde hai jisko har dam,
Har dam tu aur tera hi pyaar hai
Mehfil mein bhi tanha hai dil aise, dil aise
Tujhko kho naa de, darra hai yeh aise, yeh aise
Aaj mili aisi khushi, jhoom uthi duniya yeh meri
Tumko paaya to paayi zindagi
Kehna hi kya yeh nain ek anjaan se jo mile
Chalne lage mohabbat ke jaise yeh silsile
Armaan naye aise dil mein khile,
Jinko kabhi main naa jaanoon
Voh humse, hum unse kabhi naa mile,
Kaise mile dil naa jaanoon
Ab kya kare, kya naam le,
Kaise unhe main pukaaroon
Kehna hi kya yeh nain ek anjaan se jo mile
Chalne lage mohabbat ke jaise yeh silsile
Kehna hi kya
