

# No I in Team

## Arizona Zervas

Tell me where the cash at  
Yeah, yeah, yeah, yeah  
Tell me where theTake, take it easy workin' nine to four (Yuh)Tell me where the cash at  
I been on a fast track  
Shawty want my heart but  
I could never back trackI just wanna smash that  
Hit it then I pass back  
Shawty want my heart but  
I could never back trackThis ain't nothing new  
I been chasin' dreams  
She been playing games  
But there ain't no I in team  
I stay with my crew  
Know that's all I need  
She been playing games  
But there ain't no I in teamIt's just me myself and squad  
I been going hard  
She told me to slow it down  
I take it too farSearching for a check  
Searching for some luck  
Used to look for love  
Now I barely find a fuckUsed to catch 'em feelings aye  
Now I'm catching planes  
I just want the billys aye  
I won't ever change  
Woke up in the hillies yeah  
Red dots on my phone  
If it ain't 'bout money then  
Bitch leave me alone'Cause I don't want to die too young  
But I been living life too fast  
And she just want all my love  
But I know that it never lastsSo tell me where the cash at  
I been on a fast track  
Shawty want my heart but  
I could never back trackI just wanna smash that  
Hit it then I pass back  
Shawty want my heart but  
I could never back trackThis ain't nothing new  
I been chasin' dreams

She been playing games  
But there ain't no I in team I stay with my crew  
Know that's all I need  
She been playing games  
But there ain't no I in team Nah there ain't no I in team girl, team girl  
No designer on my feet girl, feet girl  
I'm trying to pull up in that new whip, new whip  
Check the socks I'm on my rhude shit, my rhude shit And I just hit my new thing she always on a trip  
She just wanna do things I just wanna sip  
Shawty got a body but she don't ever flex  
I know she a good girl but I don't need the stress nah 'Cause I don't want to die too young  
But I been living life too fast  
And she just want all my love  
But I know that it never lasts So tell me where the cash at  
I been on a fast track  
Shawty want my heart but  
I could never back track I just wanna smash that  
Hit it then I pass back  
Shawty want my heart but  
I could never back track This ain't nothing new  
I been chasin' dreams  
She been playing games  
But there ain't no I in team I stay with my crew  
Know that's all I need  
She been playing games  
But there ain't no I in team, yeah yeah
