High Price Of Hate

Toto

Got the eyes of a vulture
As you gaze from your meaningless throne
And the pain that you've been selling
I'd rather die before I'd ownI'll call you a doctor
Or find you a priest

'Cause no one can save you
And you won't get no peaceI've felt your displeasure
And girl I used to relate

So don't hand me no anger

I'll be crushed by the weightThat's the high price of hate

That's the high price of hate

Lord what's the cost of my fateShe'll lay out wide open Like a surgical knife

I've watched it take over

What's left of your miserable lifeShe'll live on deception

Your pleasures long dead

Your soul is left bleeding

From the lies that you spreadDon't pull on my collar

I won't rise to debate

Don't ask me for comfort

You're a lifetime too lateThat's the high price of hate

That's the high price of hate

Lord what's the cost of my fateOh, there's a storm overhead

Will it ever end baby

It's all inside your head

Is it gonna endThat's the high price of hate

That's the high price of hate

Yeah, I hope I ain't asking too late

That's the high price of hate

That's the high price of hate
