

Flawed

Texas Hippie Coalition

Well, alright

What you want
What you get
Ain't always what you want

What you get
What you want
Ain't always what you need

What you want
What you get
Ain't always what you want

What you get
What you want
Ain't always what you need

Cuz I got multiple personalities
You treat me like I got some damn disease

Cuz I got multiple personalities
You treat me like I got some damn disease

What you do
What you say
You'll never do to me

What you say
What you do
You best not say to me

What you do
What you say
You'll never do to me

What you say
What you do
You best not say to me

Cuz I got multiple personalities
Ha Ha
You treat me like I got some damn disease

Cuz I got multiple personalities
You treat me like I got some damn...

guitar solo

What you want
What you get
You'll always want from me

What you want
What you want
You'll never get for free

What you do
What you say
Don't mean shit to me

What you say
What you do
Don't make a fuck to me

What you want
What you get
You'll always want from me

What you get
What you want
You'll never get for free

What you do
What you say
Don't mean shit to me

What you say
What you do
Don't make a fuck to me

Don't make a fuck
Don't make a fuck
Don't make a fuck
To me
