

# The Juggernaut Divine

## Armageddon

a final sign the sky is falling down  
this world has come undone  
armageddon has arrived  
in the shape of a killing machinedestroying you  
pulling you under its wheels  
crushing youa sadistic instrument of pain  
to hunt down our race like animalsinvincible - eraser of life - truly evil  
the juggernaut divinea warcry killing the unborn  
suffocating heat and the stench of  
burning human meat  
our culture now destroyed foreveras the war machine keeps turning  
the flames of hate - still burning
