# Go Tell

## Christ Church Choir

There were Sheppard?s on a Hill side,
There were angels in the sky,
They said boys don?t you be afraid
This is night of your life.
There?s a baby in the manger
That the whole world needs to know.
It begins here with you - here?s what you must do.
GO TELL, GO TELL, GO TELL, - GO TELL

Chorus:
Once you?ve seen that shining star
You can?t keep it to your self - Oh No
Go Tell it near and Far , He is Emmanuel
You Gotta Go Tell ? oh yes you do

Go tell it to your sister, Go Tell your brother too
Tell it to everybody you meet
Tell you got good news.
Hey tell about that little baby
Born in Bethlehem
Tell him His name is Jesus
And He?s come to free us!
Go Tell, Go Tell, Go Tell, - Go tell

Chorus:
Once you?ve seen that shining star you can?t keep it to your self -
Go Tell it near and Far , He is Emmanuel
Everybody Go Tell!

The wise man a gonna shout it. The rich, the poor, and the lame.
And if they were ever the cows in the stable they would praise His name
Chorus:
Once you?ve seen that shining star you can?t keep it to your self -
Go tell it near and Far, He is Emmanuel
GO TELL, GO TELL, GO TELL, - GO TELL
Go tell it on the mountain
Go tell
Go tell in the valley
Go tell

Go tell it on the roof Tops
GO TELL,

Instrumental
Go, Go, Go, Go, Go ? Tell.
