

# Pony Boy

## Bruce Springsteen

Pony boy pony boy  
Won't you be my pony boy  
Giddy-up giddy-up giddy-up whoa  
My pony boy Ride with me ride with me  
Won't you take a ride with me  
Underneath the starry sky  
My pony boy O'er the hills and through the trees  
We'll go ridin' you and me  
Giddy-up giddy-up giddy-away  
My pony boy Down into the valley deep  
'Neath the eaves we will sleep  
Sky of dreams up above  
My pony boy
