

Express Yourself (Glee Cast Version)

Glee Cast

Come on girls do you believe in love?
'Cause I got something to say about it
And it goes something like thisDon't go for second best baby
 Put your love to the test
 You know you know you've got to
 Make him express how he feels
And maybe then you'll know your love is realYou don't need diamond rings or eighteen karat gold
 Fancy cars that go very fast
 You know they never last no no
 What you need is a big strong hand
 To lift you to your higher ground
 Make you feel like a queen on a throne
Make him love you 'til you can't come downDon't go for second best baby
 Put your love to the test
 You know you know you've got to
 Make him express how he feels
And maybe then you'll know your love is realLong stem roses are the way to your heart
 But he needs to start with your head
 Satin sheets are very romantic
 What happens when you're not in bed
 You deserve the best in life
 So if the time isn't right then move on
 Second best is never enough
You'll do much better baby on your ownDon't go for second best baby
 Put your love to the test
 You know you know you've got to
 Make him express how he feels
And maybe then you'll know your love is realExpress yourself you've got to make him
 Express himself
 Hey hey hey hey
 So if you want it right now make him show you how
Express what he's got' oh baby ready or notAnd when you're gone he might regret it
 Think about the love he once had
 Try to carry on but he just won't get it
He'll be back on his knees so pleaseDon't go for second best baby
 Put your love to the test
 You know' you know' you've got to
 Make him express how he feels
And maybe then you'll know your love is realTo express yourself you've got to make him

Express himself hey hey hey hey
So if you want it right now make him show you how
Express what he's got oh baby ready or notExpress yourself, express yourself
So if you want it right now make him show you how
Show you how baby ready or not
Express yourself, express yourself
You know you know you know you
Want it right now then make him show you how
Express yourself
