

# Sheba

## Bad Brains

Oh ancient Queen of Cush  
Tale beyond compare  
What faith in destiny  
To gain in her story With royal bounty  
and baby in belly  
Responsibilities  
edification Oh ancient Queen of Cush  
Tale beyond compare  
What faith in destiny  
To gain in her story Sheba  
your love ordained in grace  
His majesties  
virtue le find a place  
Hidden scrolls reveal for all  
to see the half that's never been told  
Menelik grew to a King  
Now generations pass unlinked  
Who is this great mother divine?  
The half that's never been told
