

Pandora

Madina Lake

The way you dance, it turns me on but you know that I'm spoken for
The way the sweat drips off your chest, you know that I'm wanting more
The lies, the sex, the heat, this sweat and nothing else matters
But you and me, without your dress, I already forgot her
You, you have no idea what you do to me
And you, you have no idea what you're doing to me
Pandora, I don't know how you carved your way into my
heart
And I don't know how you snug your way into my house
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away, Pandora
The girl I love sits at home and I know
that she's lonely
But I'm watching you take off your clothes, you're the star of this movie
The love, the hate, the guilt, my fate is hanging in the balance
You, you have no idea what you do to me
And you, you don't even care what you mean to me
Pandora, I don't know how you carved your way into my
heart
And I don't know how you snug your way into my house
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away, Pandora
And by the time that I come home, she's
already sleeping
I sit on the bed and take off my clothes, my nerves, they're shaking
The lies, the sex, the heat, this sweat, your body is quaking
The love, the hate, the guilt, my fate against this temptress
Ashamed, ashamed
Pandora, I don't know how you carved your way into my heart
And I don't know how you snug your way into my house
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away
Forever as I throw my life away
